Dear Sir:

Applicant submits this paper in response to the Office Action mailed December 11, 2006 (the "Office Action").

I. Election of Species Requirement

In the Office Action, the Examiner set forth an Election of Species Requirement that identified what the Examiner has characterized as two (2) patentably distinct species of the claimed invention. In particular, the Examiner suggested in the Office Action that the present application contains claims directed to the following species:

1. Species of method and apparatus described at paragraph 007 to 011 (see fig. 6 as an example with fig. 1-5); and
